***Please call the hospital or surgery center for address and directions***

Please have your preoperative tests done per your physician's orders.

Please pre-register at the hospital or facility where your surgery is scheduled.

***Please take the sheet stamped "TAKE TO ADMITTING" with you to the hospital or surgery center.***

- 1. DO NOT** eat or drink anything after midnight the night before your surgery, unless instructed otherwise. This includes water.
- 2. DO NOT** take any "**BLOOD THINNERS**" (aspirin, aspirin by-products, vitamins, vitamin e, anti-inflammatories or arthritis medication, Coumadin, Plavix, Ticlid, etc.) one week prior to surgery. If you are on Coumadin you will be instructed when to stop. You may take Tylenol – it does not promote bleeding. If you are not sure if the medication you take is a "BLOOD THINNER," please call your pharmacy or our office. ***You will be given a date to STOP YOUR COUMADIN / PLAVIX.***

## **NO ALCOHOL CONSUMPTION 48 HOURS PRIOR TO SURGERY!!**

- 3. DO NOT** wear jewelry, make-up, perfume or cologne, lotions, or nail polish on either your fingers or toes. Wear loose clothing. Do not take anything of value with you (money, credit cards, etc).
- 4. YOU MUST** arrange a ride home. You will not be able to drive yourself.
- 5. YOU WILL** be instructed the day before your surgery by **Las Vegas Urology** of the time to be at the hospital or surgery center. You will also be instructed on your diet and medications. If your surgery is scheduled for a Monday, you will be called on Friday.
- 6.** Please call our office two days after your procedure, or two days after hospital release to schedule your postsurgical appointment.
